

# 17 PRECINCT SEXUAL OFFENDERS INFORMATIONAL

## THE LAW

The Sex Offender Registration Act ([Correction Law Article 6-C](#)), known as SORA, established a Sex Offender Registry within the New York State Division of Criminal Justice Services. SORA was enacted to assist local law enforcement agencies and to protect communities by: **1) requiring sex offenders to register with the State; and, 2) providing information to the public about certain sex offenders living in their communities.**

SORA requires the registration of individuals convicted in New York State of certain sex offenses as well as the registration of those individuals convicted in another jurisdiction if the offense is equivalent to a New York State registerable sex offense. Sex offenders are classified as either low risk (Level 1), moderate risk (Level 2) or high risk (Level 3).
